

LANGUAGE TEACHING

Customized Swahili Language Training Programs/Courses: These are tailored language training for individuals, corporations, and institutions to meet specific communication needs. These Programs/Courses cater to learners at all levels, whether learning Kiswahili as a first, second, foreign, or additional language. Relatedly, in addition to Uganda's 'major' indigenous languages (Alur, Itesot, Luo, Runyakitara), we have started offering customized instruction in various international languages (English, Chinese, French & German) for beginners to advanced learners

RESEARCHING AND INSTRUCTIONAL MATERIAL DEVELOPMENT

Linguistic Research: Conducting in-depth studies on Swahili and related global languages to develop effective teaching methodologies and materials.

Curriculum Development: Designing and developing comprehensive syllabi and curricula for Swahili language education programs.

Instructional Material Creation: Producing high-quality Swahili textbooks and learning resources for diverse educational levels.

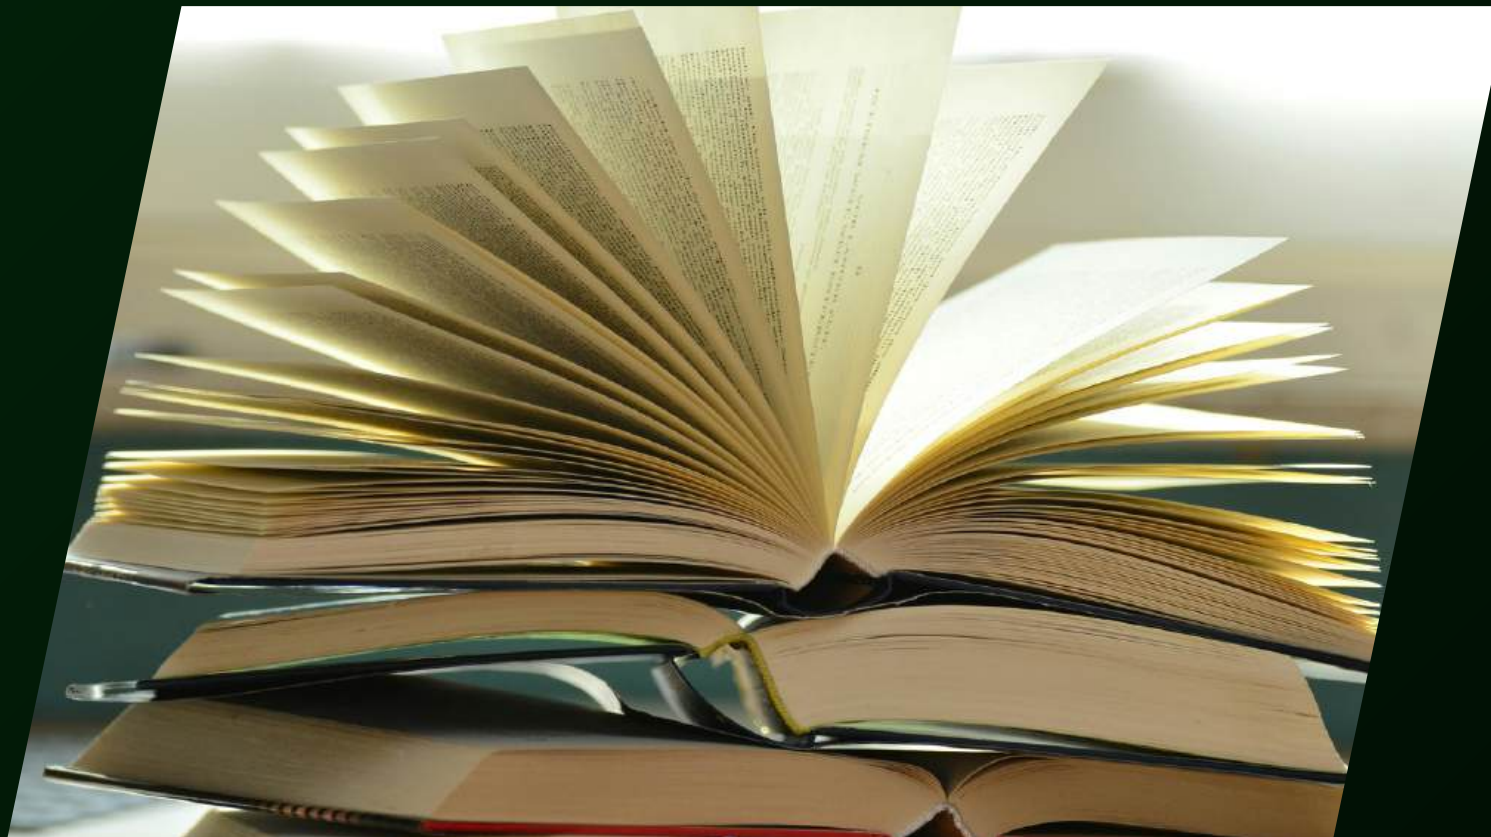

TRANSLATION AND INTERPRETATION

We offer expert services in translating and interpreting between Swahili and all major indigenous and global languages, ensuring accuracy and cultural relevance for legal, medical, academic, and business contexts, to mention but a few.

DOCUMENT TRANSCRIPTION AND SUBTITLING

We deliver precise Swahili transcriptions and subtitling services for diverse media formats to enhance accessibility and understanding.

► EDITING AND PROOFREADING

Written Texts: We provide professional language editing and reviewing services to ensure clarity, coherence, and correctness in various document types, including academic papers, official reports, and creative works.
